## STEP 01: INSTALL AUDIO HIJACK ON DESKTOP

After downloading the Audio Hijack desktop app from <https://rogueamoeba.com/audiohijack/> you will see a view like the one below if you did not purchase a license.

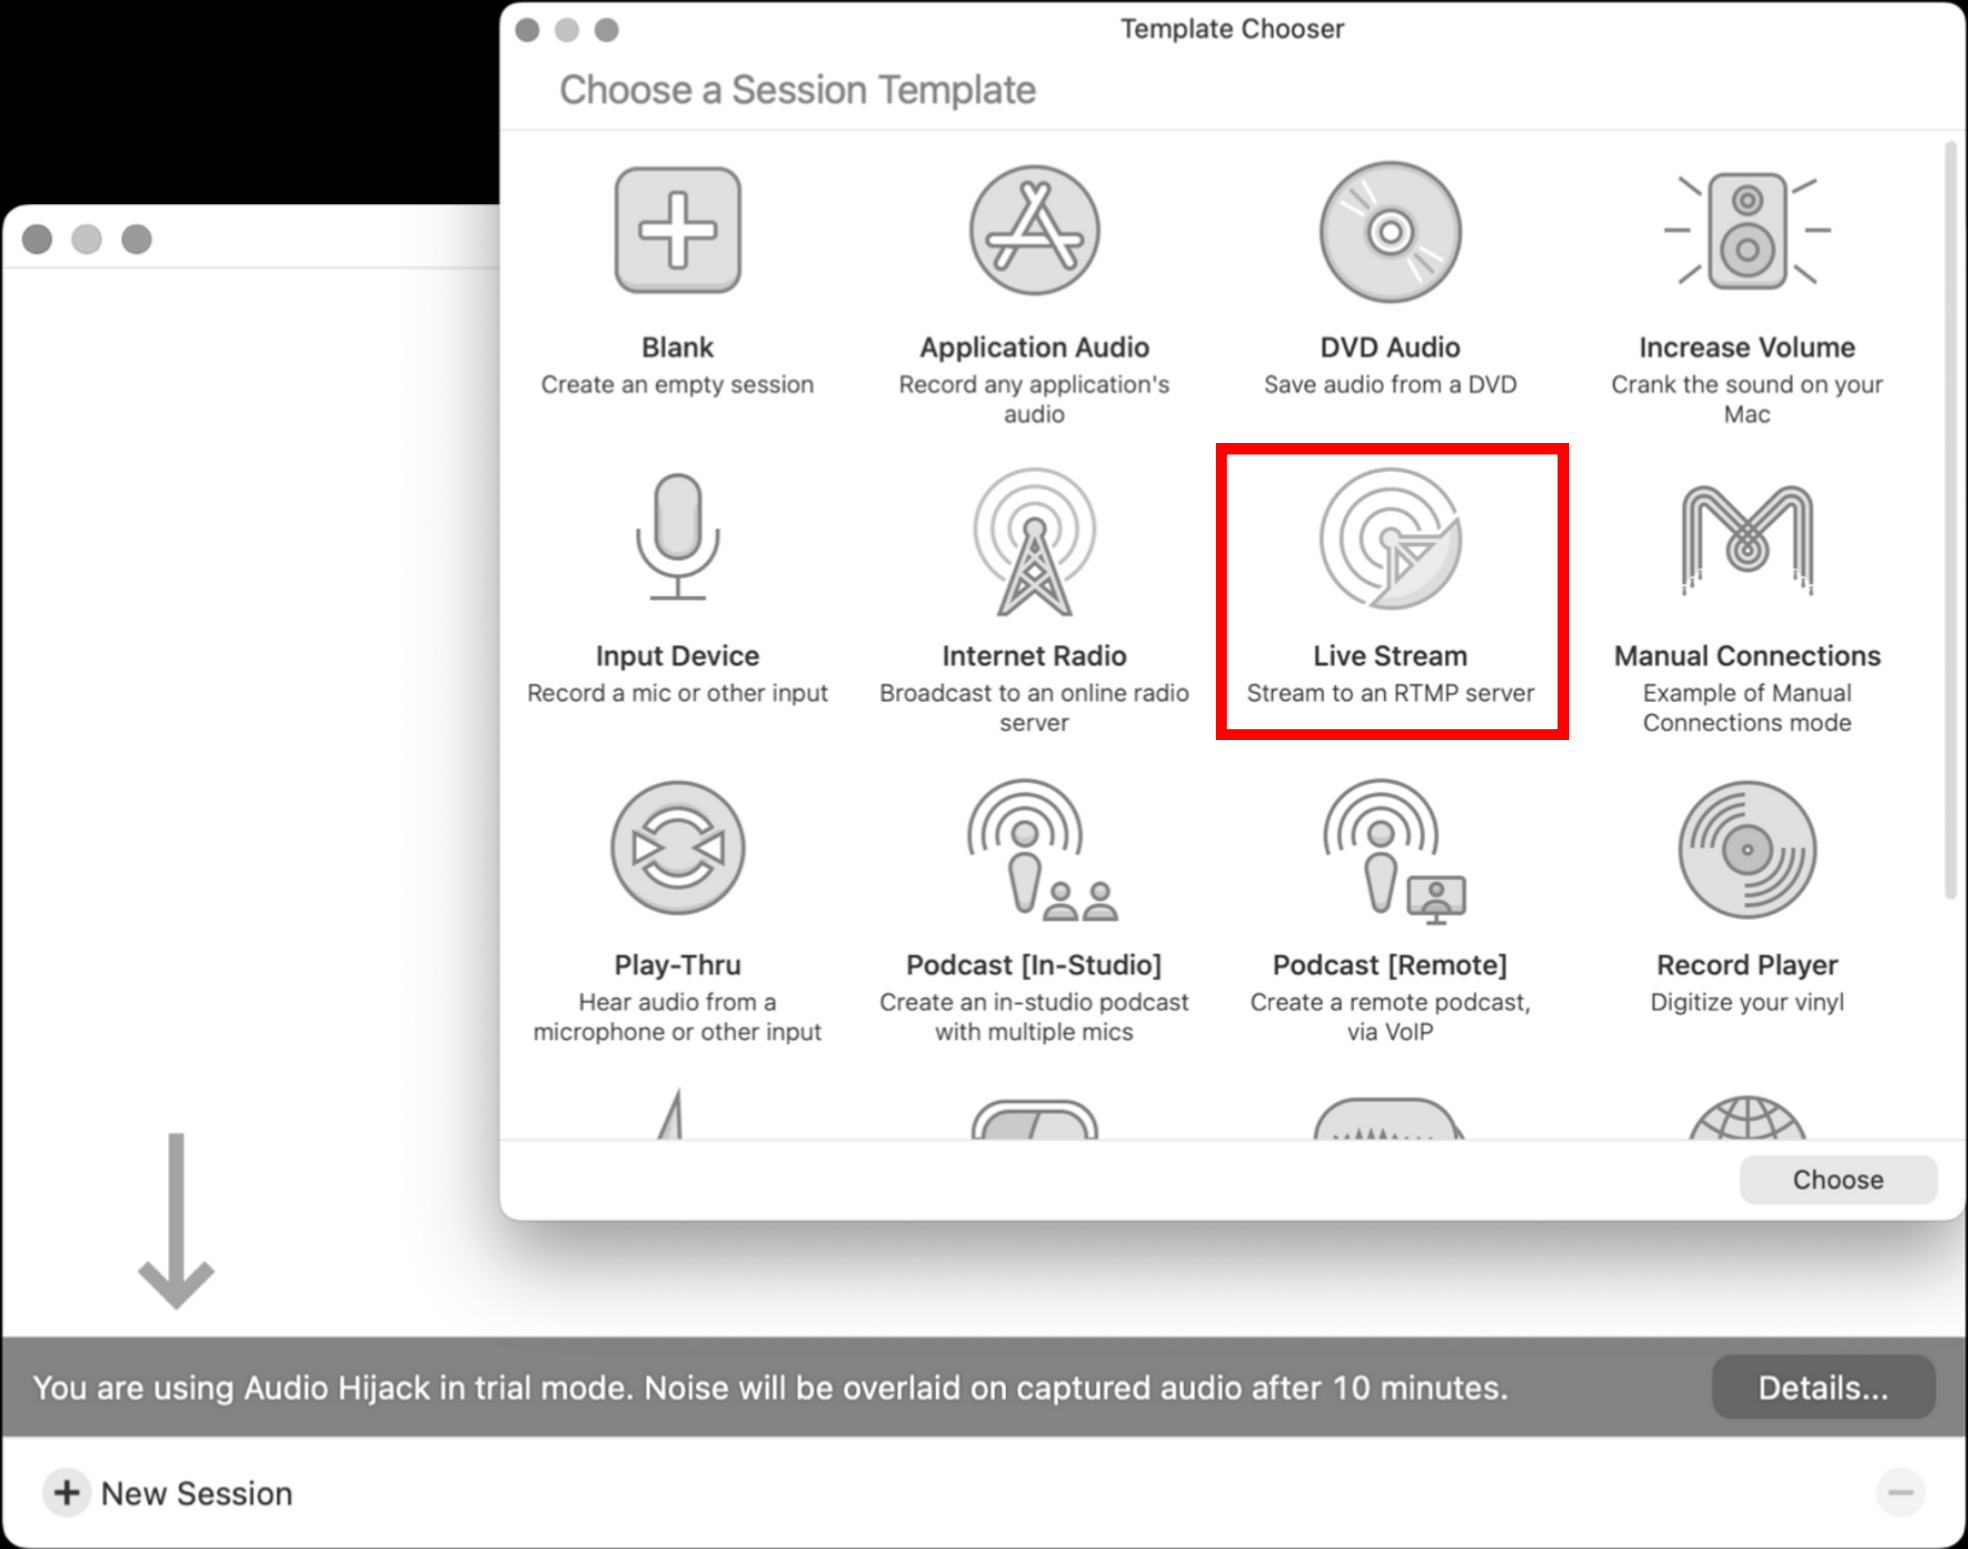

You'll need to grant access to Audio Hijack on your computer since it will be marked as an unidentified developer.

Select “New Session” in the bottom left corner.

STEP 02:  
CREATE A LIVE STREAM TEMPLATE

A new window titled “Template Chooser” will appear. Select the “Live Stream” option. A new window will open titled Live Stream.

STEP 02:
